2027 Administrative Committee Budget Review

Larrea pointed out the highlights of the budget. The Committee reviewed the various line items. Committee recommended increasing education and training for new council members. It was noted although there is money proposed for Public Safety, no contract has been reached with the County. The DDA budget will concentrate on the public restrooms and a line item for the cleaning of the same. The treasurer noted that the funds are in good shape with all that the Village accomplished this year. The budgets will be forwarded to the Village Council for adoption.

The meeting adjourned at 9:15 a.m.
