2027 Proposed Budget Review

Larrea pointed out the highlights of the 2027 proposed budget. Fee increases are proposed for the Marina Slip Fees and for the Sewer and Water fund rates. The wastewater treatment plant's cost continues to rise as the cost of maintenance increases. Biosolids were removed last year and the remaining will be removed this year. Combined cost for both years is $140,000. The 2027 proposed budgets will be forwarded to the Village Council for adoption.
