

Spring is definitely here! With that said and weather permitting you will begin to see some project activity in the Village.

South Shore: Please be advised a ditching project on South Shore drive will begin this week (April 9-12). Expect detours and or delays.

Water Wheel Park pre- con meeting is scheduled for April 12th. We anticipate construction starting soon after.

The DPW also has posted the following for the next few weeks:

Hydrant Flushing and Water System Chlorination
April 19th thru April 27th

Curbside pickup of bulk yard waste (1 week only)
April 29th thru morning of May 3rd
