TO WHOM IT MAY CONCERN 4/21/20

MOVING TRAFFIC FROM M-22
TO ST. MARY'S ST. BECAUSE OF THE
VILLAGE PROJECT IS UNDERSTANDABLE,

I'VE NOTICED YOU'VE PLACED SEVERAL
TEMPORARY STOP SIGNS, i.e. 4th ST &
ST. MARY'S,

I WOULD SUGGEST YOU CONSIDER
ANOTHER ONE ST. MARY'S & GROVE ST.

IF YOU DID TRAFFIC WOULD BASICALLY
HAVE TO STOP EVERY TWO BLOCKS
FROM 4th ST. TO M-204.

HAVING A (4) block stretch seems
TO ENCOURAGE 'SPEEDING' ...

WITH COVID 19 THERE SEEMS TO BE
AN INCREASE IN FOOT TRAFFIC, IN-
CLUDING YOUNG PEOPLE WITH SMALL
CHILDREN & ANIMALS.

YOUNG PEOPLE AND THE COMMUNITY.

THANK YOU FOR YOUR CONSIDERATION

Mr. Gerald Stayman
420 Broadway
Suttons Bay, MI 49682

Dear Mr. Stayman,

I hope this correspondence finds you well. As you know, in the past several months the Village council has discussed ways to mitigate the water runoff in the West Broadway area. As previously discussed, the Village is willing to take over the basin so that we can properly maintain it to avoid water trespass onto Broadway Street. With that said, the village is willing to pay all costs in creating and maintaining the easement. In order to begin this process, we will need written authorization from you, allowing us to proceed with hiring the appropriate professionals to create a legal easement.

Thank you in advance for your cooperation in this matter. As this is a time sensitive matter, we look forward to hearing back from you as soon as possible.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rob Larrea", with a long horizontal line extending to the right.
