VSU-2024 Stratton Way Discussion

Larrea referred to his report found in the packet. Committee recommends to Village Council Option 4 listed in the report, placing a "No Thru Traffic", sign on M-204. Committee encouraged Stratton Way residents to, once the sign is in place, keep the Village informed of its effectiveness.

VSU-2024 Resolution of Support – Suttons Bay Schools

Committee recommends to Council the adoption of the resolution to upgrade the Suttons Bay School Championship signs located on M-22.

Status Update

Larrea stated a pre-con meeting is scheduled in two weeks for the Waterwheel project. A time frame for the project will likely come from that meeting. Larrea met with MDOT regarding pedestrian crossings at Sutton Park. Three grant applications have been submitted, one for the pedestrian bridge over the wetlands, one to improve dockage, and another for a marina bathhouse with a public bathroom aspect, which will go to the DDA for consideration. The Village is ready to move forward on the cultural sign project with a possible location near the library, which requires library support. Once library support is received, support for that location will be required from Village Council. Committee requested the cultural sign location be placed on the April agenda if support is received from the library.
