We are staffed our normal business hours, Monday-Thursday 8:00 am to 4:00 pm and Fridays 8 am to noon, however working in staggered shifts in conformance with Executive Order 2020-115. We are taking phone calls to address your questions and immediate needs. If you have an immediate question, please call our office at 231.271.3051 during normal business hours and we will assist you.
