Prepared:	8/6/2021	Pages:	1 of 1
Meeting:	8/11/2021	Attachments:	1 <input type="checkbox"/>
Subject:	Zoning Administrator Report		

**STAFF COMMENT:**

As of 8/6/2021 the Village has approved 20 permits:

- 2 – New Homes
- 4 – Residential Additions
- 1 – Condominium Development (Harbor Heights)
- 3 – Driveway Permits
- 6 – Miscellaneous (Fences, Decks, Accessory Structures)
- 4 – Sign Permits

Staff is currently logging dumpsters, throughout the village, that need enclosures, letters will be sent and hopefully compliance will occur where it is possible, as there are a number of dumpsters that have very little room for an enclosure, perhaps a wall or plantings will work.

As of this time staff has no complaints that they are working on.

**ACTION REQUESTED: NONE**
